

Weather

Teacher and Student Resources

Goal 3: The learner will conduct investigations and use appropriate technology to build an understanding of weather and climate.

- 3.01 Investigate the water cycle including the processes of: evaporation, condensation, precipitation, and run-off
- 3.01 Discuss and determine how the following are affected by predictable patterns of weather: temperature, wind direction and speed, precipitation, cloud cover, and air pressure.
- 3.03 Describe and analyze the formation of various types of clouds and discuss their relation to weather systems.
- 3.04 Explain how global atmospheric movement patterns affect local weather.
- 3.5 Compile and use weather data to establish a climate record and reveal any trends.
- 3.06 Discuss and determine the influence of geography on weather and climate: Mountains, Sea Breezes, and water bodies.

Elementary Video Adventures: Weather and Climate

<http://player.discoveryeducation.com/index.cfm?guidAssetId=25B0B2A7-D01A-43D3-90BC-BC94FC1258F3>

- Meteorology: the science of predicting weather
- Meteorologists use scientific instruments to measure and predict weather
- How Snowstorms form
- How Thunderstorms form

Weather Smart: Heat, Wind, and Pressure

<http://player.discoveryeducation.com/index.cfm?guidAssetId=b2b07925-15a4-4728-875d-b4369021cc65>

- Air pressure and wind
- Barometers: high and low air pressure
- Wind: breezes, gusts, and gales

Weather

Teacher and Student Resources

- How temperature affects the air
- Circulation: how heat, wind, and pressure work together
- Heat, Wind, Pressure review
- Video Quiz- Weather smart: Heat, Wind, and Air Pressure

Investigating Weather:

<http://player.discoveryeducation.com/index.cfm?guidAssetId=31086ffa-b0e6-4177-970d-013827cd674f>

- The water cycle
- Air masses and fronts- how weather and moves from one place to another
- Forecasting Weather

Weather Smart- forecasting weather: <http://player.discoveryeducation.com/index.cfm?guidAssetId=0d0fc375-332d-4e1c-977a-14811c78fe0b>

- The importance of weather forecasting
- Thermometers: Measuring temperature
- Anemometers and Wind Vanes
- Compasses-finding direction
- Hygrometers: Measuring humidity
- Barometers: measuring air pressure
- Radar and Rain gauges- locating and measuring precipitation
- How maps, graphs, charts help meteorologists predict the weather
- Forecasting weather
- Weather balloons measuring the weather above the earth
- Using weather instruments to forecast weather
- Weather Smart Video Quiz: Forecasting and weather instruments

The Water Cycle: <http://player.discoveryeducation.com/index.cfm?guidAssetId=4c50138b-a84c-415c-9df8-35a2298a0663>

- Introduction
- Water
- The Sun
- Evaporation
- Condensation
- Precipitation
- Where does water go?
- Conclusion

The importance of water: <http://player.discoveryeducation.com/index.cfm?guidAssetId=ace02892-4f7b-43ad-b613-302bc8a1f6a8>

- Introduction
- Liquid. Solid, Gas
- Water Cycle

Weather

Teacher and Student Resources

- Weather
- Water can change the earth (erosion and weathering connection)

Water Smart: The sun, water cycle, and climate:

<http://player.discoveryeducation.com/index.cfm?guidAssetId=c929d8ee-24cc-421d-b00d-5bf3174850a7>

- The water cycle: evaporation, condensation, precipitation, and run off
- Evaporation, transpiration, and sublimation
- Condensation
- Precipitation
- Runoff
- Video Quiz

Clouds, Weather, and Life: <http://player.discoveryeducation.com/index.cfm?guidAssetId=876e3388-75e0-4f28-8693-5919fa0ed6cf>

- Types of Clouds
- The water cycle
- Song: Clouds are cool

TLC Elementary School: Earth's Ecology

<http://player.discoveryeducation.com/index.cfm?guidAssetId=a05b96df-241a-47fb-b755-40315557a46d>

- Weather Fronts
- Cloud and Forecasting

The Magic School Bus Kicks Up a Storm:

<http://player.discoveryeducation.com/index.cfm?guidAssetId=D8C4EB4A-A32F-41BE-9F25-F94DEB66C46E>

- Recipe for weather
- Air always rises up
- Wind: moving air
- What makes wind?
- Cloud water droplets
- Inside a thunderstorm
- Riding snowflakes
- More facts about storms

Weather Smart: Winter and Snow <http://player.discoveryeducation.com/index.cfm?guidAssetId=5F2FAAAA-80A4-4751-B685-EF1A498E07FA>

Understanding Weather: <http://player.discoveryeducation.com/index.cfm?guidAssetId=5704BB15-2288-4824-B741-12365C9ECB1D>

- Part One: Understanding Weather
 - The impact of weather
 - Meteorology: a brief history
 - A brief history or weather prediction
